Şahdag

Quba

Khinalig

Şahdag - Quba - Khinalig

1st route

Khinalig is an island of ancient culture in the Caucasian mountains, remained isolated for centuries. Its rugged mountains and perilous cliffs shielded the village from the outside world. As a result, the inhabitants preserved a unique, unclassified language to this day.

Quba serves as a gateway leading to the awe-inspiring Caucasus Mountains, presenting a picturesque destination for those passionate about eco-tourism and seeking outdoor tranquility. The ancient mountain villages, inhabited by diverse ethnic communities, offer an excellent setting for hiking adventures and immersive eco-tourism experiences.

Şahdag

Giriz

Şahdag - Giriz

2nd route

Giriz is a settlement renowned for having the most extensive snow cover in Azerbaijan. Nestled within the Şahdag region, it holds the distinction of being the most challenging village to reach. Like its neighboring counterparts, Giriz features a distinct architectural style with houses arranged in a stepped and clustered manner, complemented by cozy courtyards — a characteristic hallmark of high-altitude villages.

Şahdağ - Laza - Suvar Waterfall

4th route

Laza village is nestled at the base of Shah-Jeylak mountain, standing tall at an impressive altitude of 1 660 meters above sea level. The village is surrounded by breathtaking scenery, with numerous cascading waterfalls that flow gracefully from the rocks. The villagers lead a simple mountain life, and their population, consisting of only 170 individuals, predominantly speaks the native Lezgi language.

Suvar Waterfall - the breathtaking end point of a geographical journey. This hidden gem is a haven for adventure seekers and intrepid climbers, offering an unmissable experience that can only be savored on foot or by horseback.

Şahdag - Anykh village - Jural River

7th route

Anykh village - has a long history dating back to the 10th century. Legend has it that the village was named after a local ruler called Anig-aga. The village used to have a strategic fortress, which was destroyed during the war with the Golden Horde in 1288. However, one unique structure still stands to this day in Anykh - a notable mosque that is renowned throughout Azerbaijan.
